Portfolio

Link: <https://dataanalystportfolio-delta.vercel.app/>

This portfolio presents me as Jarius Miguel C. Ballesteros, an aspiring Junior Data Analyst with strong attention to detail, proficiency in data collection, verification, and analysis, and solid skills in Excel, SQL, Python, Tableau, and Power BI. It highlights a range of impactful projects—such as sales dashboards, customer insights reports, predictive models, and sentiment analysis—demonstrating my ability to turn raw data into actionable insights. The site also emphasizes my commitment to data quality, trend analysis, and problem-solving, making me a candidate ready to contribute value to any data-driven team from day one.
