- ✓ Created Flashcard using vue.js and Firebase database.
- ✓ Created an ecommerce system using vue.js and Firebase database.
- ✓ Experienced in User Interface/ User Experience and Quality Assurance in our ticketing system project in school

WORK EXPERIENCE

D&L Industries Inc. at Quezon City, Philippines　　　　**June 2024 – July 2024**
Data Analyst

　　　　At D&L Industries, our team leveraged Power BI to enhance data analysis, where my scripting contributions proved instrumental. The symbiosis of my academic pursuits and internship experience has not only fortified my technical skill set but also underlined my commitment to growing as a computer engineering professional. I need to complete the 240 hours of my Internship.

Key Contributions

- Consolidated data using Microsoft SQL Server

- Developed insightful reports and dashboards in Microsoft Power BI

EDUCATION

University of Rizal System　　　　**August 2021- June 2025**

Bachelor of Science in Computer Engineering

　　　　Our thesis is all about Portable Language Translator Device which have three button. One for Cebuano to Tagalog. One for Tagalog to Cebuano. And a repeat button if you didn't understand what is the last translator. We are 4 in the group and I contribute on design, documentation, and hardware configuration. I end up being Rank 15 in the classroom.

Consistent Honor Student since Elementary to High School

I always compete in school division levels when I was in my grade school. I love joining English quiz bees, Math Contest, and always winning in school level competition. I love joining in extra-curricular activities and also a boy scout in my Grade School and High School. I am always a school Officer in school like being a president and an officer in my college days. Ever since I was a kid, I always love drawing.

　　Awards Received:

　　　　First Honorable Mention – Grade 6

　　　　With Honors – Grade 8-Grade 12

　　　　Top 5 – Kinder to Grade 7

　　　　Scholar – UST Butil, ANCOP

Technical Education and Skills Development Authority (TESDA)　　**June 2025**

　　Computer System Servicing National Certificate II
